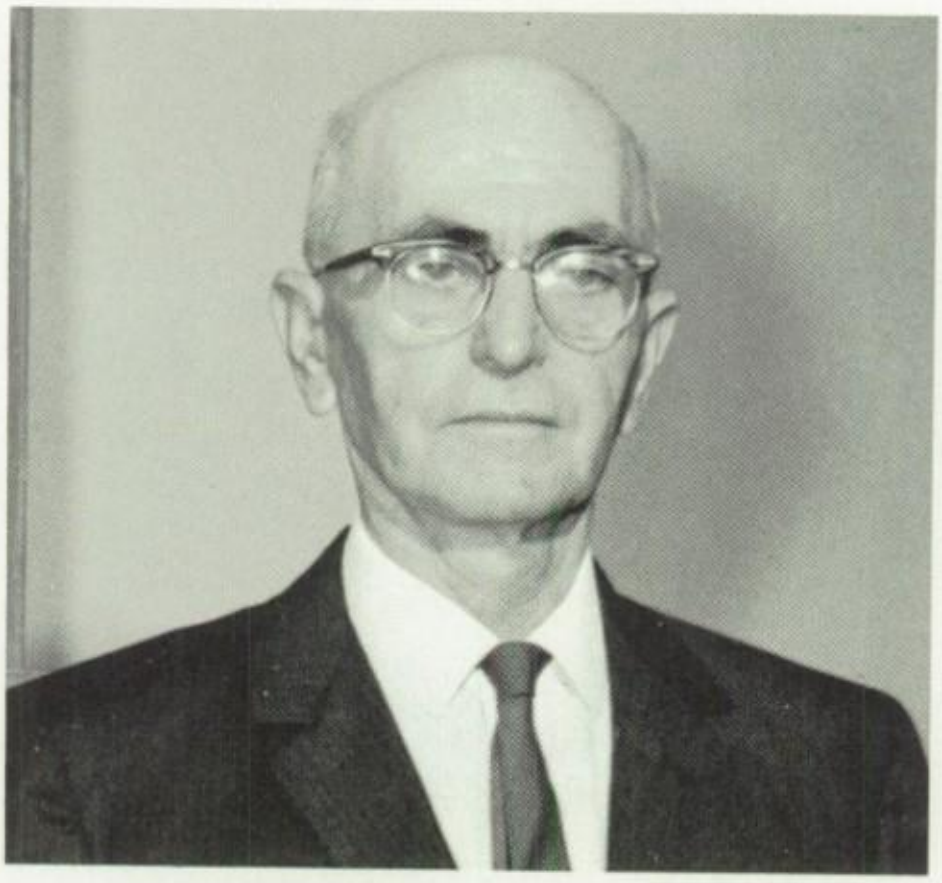
In Memoriam



PERRY S. WALKER

The students and faculty of the Shanksville-Stonycreek Joint Schools have been privileged to have had a friend who cared, and one who was always willing to share with his fellowmen.

For eighteen years Mr. Walker was a teacher in our school, and for the past eleven years he served faithfully on the school's Board of Education.

His interest in youth extended into the community as advisor and teacher for church and farm organizations.

Life's race well run,
Life's work well done,
Life's victory won,
Now cometh rest.

Foreword

All of us have special memories of past school days that we wish to keep and cherish forever. For each of us these memories will be different—a glance, a smile, a word—a distinct moment to remember.

These moments in our lives slip through our fingers as grains of sand slip through an hourglass. Although thousands of moments exist, only a mere handful are really meaningful.

Within this CHICAHONIAN we have endeavored to capture some of the more significant moments for you to treasure in the future.

The Board of Education of the Shanksville-Stonycreek Joint Schools is a vital organization within the operation of our school system. These men do their utmost to provide the best facilities and the most modern equipment available for the welfare and educational advancement of each student.

Supervising Principal

DR. J. GEARY CRITCHFIELD

Dr. J. Geary Critchfield has been engaged in the field of education for the past twenty-five years. He has held the position of Supervising Principal of the Shanksville-Stonycreek Joint Schools since 1958.

The many achievements and accomplishments, under his leadership are a credit to his diverse abilities and talents.

He has challenged us to think critically, and we are fortunate if this challenge has ingrained in us the incentive to do constructive, positive thinking. We have been provided with the tools for attaining whatever goals the future may hold.

We acknowledge with heart-felt thanks the advantages and opportunities offered us during our too brief stay under Dr. Critchfield's administration.

Principal

MRS. MARGARET SCHIFFHAUER

Stimulating talk—kindling the fires of learning;

Smiles—encouraging us to venture ever higher;

Challenging words—bridging the gap between childhood and maturity;

Guidance—directing our steps to the fulfillment of

OUR FUTURE.

For a bright manhood, there is no such word as 'fail'."—*Bulwer-Lytton*

Webster's New Collegiate Dictionary describes a secretary as a confidential clerk having the responsibility for the correspondence and records of a private nature of an organization . . .

This is an insufficient description for our staff, and does not do them justice. Webster goes on to say that a secretary-general, however, is a superior secretary. We hereby promote you to generals, until Mr. Webster eats his words.

What's the Menu?

These fine ladies have troubles with us and our insatiable appetites. It's a good day when we get Sloppy Joes, Hoagies, Oven-fried chicken, or Turkey. We groan on soup days. What's Mom cooking for lunch? SOUP!

It is not an easy task to keep our schools in good repair, clean and warm, but these men manage to do a man-sized job.

Sometimes it takes three hands . . .

Every time we pass by these windows there is a new and different moment to capture and hold.

HAVE YOU SEEN

green leaves turn to bright colors of red and gold?
the early bareness of winter?
snows piled in drifts higher than high?
the first signs of spring?

May I see Mrs. Schiffhauer?

I missed the school bus.

I'm sorry—I forgot my white slip.

Countless times we have stepped through these doors, and always our destinations were the common, the ordinary—home to Mom, a friend's house, perhaps to the neighboring stores.

But now, we are beginning to see these same doors in a different light. They will soon lead to new destinations. For each of us, moments of newness await.

As we leave, our brothers and sisters enter to keep the old, familiar cycles going. They carry on with the traditional names as the processes of learning start them on their twelve-year sojourn.

We are excited and a little uncertain, but we walk to meet the future.

The Vikings had an impressive season (16-6) with Coach Thomas Marron at the helm. The following statistics are evidence that the Vikings were a high-scoring, hustling team. The Vikings scored a total of 1,537 points in 22 games for a 69.6 average per game, to the opponents 1,375 points for a 62.3 average per game.

The Vikings won in the Class C competition but bowed to the Class B League.

Jim Glessner, Ed Ross, and Bob Glessner sparked the team with their great ball handling.

Jim Glessner was selected for the first All-County Team, and Ed Ross was namd to the second All-County Team.

Tom and Herb Long completed the line-up and were backed by a strong bench consisting of Todd Ware, Bob Will, Wayne Shank, John Baltzer, and Bob Stull.

The Fabulous Faculty Five!!!???

Seated and resting on the bench is David Brinham, Standing teammates epitomize physical fitness; Tom Patrick, Tom Marron, Freeman Weible, and Coach Wayne Long.

It all started a long time ago when the "Fabulous Five" challenged the varsity to a basketball game. Flushed with a smell of victory they challenged faculties from Turkeyfoot and Rockwood schools. Undaunted and courageous, they met each rival with great spirit and quite a few defeats. Mr. Weible and Mr. Patrick figured out the scientific approach, Mr. Marron and Mr. Long set the strategy and Mr. Brinham . . . well, Mr. Brinham . . .

As freshmen, Spanish students often wonder if they will ever be able to understand the confusing maze of vocabulary and verb conjugation or follow the rapid speech.

But they do learn, and a few even attain an A average. These students who receive 90% or above for a final average are invited to become members of the Spanish Honor Society at a special initiation ceremony.

The learning process does not end here, however. Consistently high grades require constant practice, so Honor Society members must continue striving to maintain their high standards.

Student Librarians

Our student librarians play an important role in our school library program. These girls begin their volunteer services during their freshman year and perform many of the routine tasks such as general housekeeping, staffing the circulation desk, shelving books, setting up bulletin boards, typing, filing, and preparing new books for circulation.

Special activities are planned during National Education Week, Children's Book Week, and National Library Week. The highlight of the year is the annual Spring trip to the Cambria-Somerset Teen-Age Library Conference. In return for the time and effort expended by these girls, they gain an understanding of library procedures and a familiarity with library materials that should be of benefit to them throughout their future. This year, two senior student librarians plan to continue their higher education in the field of library science.

The Shanksville-Stonycreek Student Council is composed of three members from each class who meet to discuss problems, to promote a better faculty-student relationship, and to help build a better school system.

Throughout the 1966-67 school term, the Student Council sponsored faculty basketball games, dances, pep rallies, and "Dress-Up Days".

The Student Council has conducted a "Boy and Girl of the Week" campaign in which four students are recognized each week for a certain quality chosen to build higher personal standards. During the year Sally Brant and Ed Ross, senior high students, and Denise Spangler and Owen Long, junior high students, compiled enough points to receive the Boy and Girl of the Year Awards.

The Council purchased a portable lectern with profits from its various projects, and presented it to the school.

Shanksville can just

Susan Spangler

In four successful years as member of the Shanksville-Ston creek Future Homemakers America, Miss Susan Spangle has shown Shanksville and Son erset County that she deserve to be Somerset County Pomon Grange's outstanding FHA gi this year.

Susan Louise Spangler is th daughter of Mr. and Mrs. Rich ard Spangler of Shanksville an is a senior at Shanksville Stonycreek Area High.

The award of being the ou standing FHA girl will be give April 15 at the quarterly sessio of the Somerset County Pomon Grange which will be meetin at the Hillcrest Grange hall i Brothersvalley Township. Honc ed with Susan will be the ou standing county FFA boy thi year is Cecil Lohr of Storystow R.D. 1.

Miss Spangler's stardom sta ed shining in FHA work in 19 when she joined the Shank ville FHA Chapter, Since then, she has compiled a record of homemaking accomplishments that few others have ever obtained.

She is presently serving as president of Shanksville Chapter and served as the vice-president during her junior year.

Through Susan's four years she has attended numerous county meetings and picnics, farm show meetings, county leadership and training meetings and has been extremely active in her local chapter.

She was a candidate for a State Office in 1966 and has attended Penn State FHA Convention.

In her local chapter she has sold dish cloths and cook books, made bulletin board for FHA Week made costumes for the class play, sold suckers for the heart fund, attended Columbia Gas and Penelec Co. demonstrations, assisted with gift box for Vietnam boy, assisted with Easter egg hunt for pre-school children, assisted with fruitbaskets for needy families, accompained group to Falling Waters and has helped compile the Red Rose book.

The FHA enthusiast won the Crisco award in her junior year. In her freshman year she was one of a group on a field trip to the Springs Festival.

Miss Spangler holds the junior and Chapter Degrees and on several occasions visited the Carrie Seay Memorial Home.

In other school activities, the school chorus took up four years and she belongs to the Tri-Hi-Y.

In the Shanksville Community Susan Louise is a member of St. John's United Church whose

has collected money for the Red Cross. On her list of hobbies is cooking, sewing, drawing, and babysitting.

Mrs. Vesta Glessner, Home Economics teacher, of Berlin R.D. 1 is one of the persons responsible for developing Miss Spangler's attributes. Miss Glesners interest in FHA work has built up an image for Shanksville FHA Chapter that few other chapters can surpass.

Miss Spangler along with her parents; Miss Mary Menges, Area Homemaking Supervisor of Somerset and Cambria Counties, and Mrs. Vesta Glessner will be guests of the Pomona Grange on April 15.

During the evening youth party Miss Spangler and Cecil Lohr FFA Winner, will lead off the opening dance which will honor the winners. The theme during the day will be "Color" Our Future — Youth" and will feature programming of county youth.

The award honoring the outstanding county FHA and FFA students is an annual event of Somerset Pomona Grange. Last year's outstanding FHA girl was Miss Judy Bodes of Garrett. The 1965 winner was Miss Esther Ringler of Berlin R.D. 1 who is now a junior at Shippensburg State Teachers' College.

The Future Homemakers of America is an organization in which high school girls are given opportunities to develop their interests in homemaking.

Our local unit is very active. Their projects this year have been beneficial to the community as well as providing incentive for each individual member. The motto, "Service to others", is the basis of all FHA projects. These projects must fulfill the established requirements set up for local, state, and national achievements. A few projects are sponsored to raise funds. This money is used for club gifts and expenses in their service to others.

One home economics project was to teach elementary students how to cook.

FUTURE FARMERS OF AMERICA

THE NATIONAL ORGANIZATION FOR BOYS STUDYING VOCATIONAL AGRICULTURE

The members of the Future Farmers of America are boys who are interested in utilizing their vocational skills. They continually strive to develop leadership, cooperation, and good citizenship through participation in club activities.

The local degree, "The Green Hand," is conferred upon freshmen members. Other degrees on the county, state, and national levels may also be obtained through fulfillment of rigid qualifications.

Many of our local members have qualified for these honors, distinguishing not only themselves, but our school and community as well.

This year, our club won the county F.F.A. Basketball championship. Congratulations to the 1967 champs!

Band Parents

107 Band Parents with a common interest work devotedly the year-round to finance their two main projects—the traditional ham supper and the always popular Spring Style Show and Tea.

This year a new tuba chair and a tympani have been added to the band. The marching band was a bit more eye-catching this summer—due to new plumes purchased by the Band Parents.

WASHINGTON

TO THE GRADUATING CLASS
SHANKSVILLE STONEY CREEK JOINT HIGH SCHOOL, 1967

Please accept my warm congratulations upon your successful completion of high school. I know the pride your families and friends feel on this occasion, and I share it.

You and I cherish the same American ideals -- ever larger freedoms, ever brighter opportunity for individual fulfillment for our citizens and for all mankind. We share the continuing task of perpetuating these ideals and translating them into reality. It is not my job alone, nor yours alone. It is ours together.

No one realizes more than your President that success will depend in large measure upon the priceless legacy you carry away from these halls: the knowledge you have won here; the stronger and more certain faith in yourselves that has been born here.

I want you to know that there is no finer contribution you can make for your country than to continue your adventure in education.

In this era of growing complexity and advancing technology, our country can remain strong and prosperous only when each young American acquires all the education he can possibly absorb.

You have my every best wish for a lifetime of success and achievement.

Sincerely,

Lyndon B. Johnson
